

Z SHIELDZ

maximum protection performance wear

#9368
WOMEN'S

softball integrated compression sliding short

This heavyweight padded compression short is sure to break new ground. It is manufactured from 19.5 oz. nylon/lycra for strength and durability. We have flat-lock constructed the seams for ultimate comfort. Low-rise waist and stride are built and designed specifically for women. The raw material of the integrated padding allows the entire short to be laundered just like regular z-skinz shirt or other game wear*. The specific location of the padding covers not only the side but the back leg area which is prone for abrasion. Sizes Adult X-Small to Adult 5X-Large.

Color White - \$22.00

#95136 basketball integrated compression short

WOMEN'S

This short is designed for ultimate leg warmth as well as an integrated tail pad. Once again, this product is manufactured from 19.5 oz. nylon/lycra for strength and durability. Flat-lock construction allows for a "compression" fit without losing comfort. The low-rise waist and stride are designed and built specifically for women. Again, this piece can be laundered normally.* The pad is positioned to "soften" the blow of coming in direct contact with the gym floor.

Sizes Adult X-Small to Adult 5X-Large.

White - \$20.00, Colors - \$22.00.

#9611 volleyball integrated game short

WOMEN'S

A game short which comes in 3 and 5 inch finished inseam. Complete with integrated padding over the hip area to prevent bruising. Low-rise waist and stride design once again specifically for women. This short can be constructed from 8 oz. nylon/lycra or 19.5 oz. Both fabrics are moisture management treated. Sized Adult X-Small through Adult 5X-Large.

8 oz. fabric - \$20.00 (colors only). 19.5 oz. fabric - White - \$22.00, colors - \$24.00.

WORN BY THE BEST - FEARED BY THE REST
WHAT CLOTH ARE YOU CUT FROM?™

*Launder according to Z wear care label instructions. This product is safest washed in a neutral ph detergent and tumble dried. Do not dry in temperatures exceeding 275 degrees.
